# Assessment Graph

## How HireMee Link Test works

### Online Assessment

HireMee Link Test assesses a candidate's skill levels in 7 crucial areas that every recruiter actually focuses on –

Psychometric Analysis, Verbal, Logical & Quantitative Aptitude, Behavior, Communication, Core Domain & Computer Skills. 2000+ corporates across India trust these scores to hire.

### Video Resume

Recruiters today prefer the short introductory videos much more than the traditional paper resume. Going with the ongoing trend, our candidates get to create great Video Profiles on HireMee Link platform, where they get vocal about their skills & interests.

### Job Opportunities

Browse through thousands of jobs based on your skill set and apply for your dream job with just a click. We suggest you the best jobs that fit your skills and abilities based on your online assessment scores.

## Why HireMee Link Test?

**Direct Connect** with 2000+ Corporates

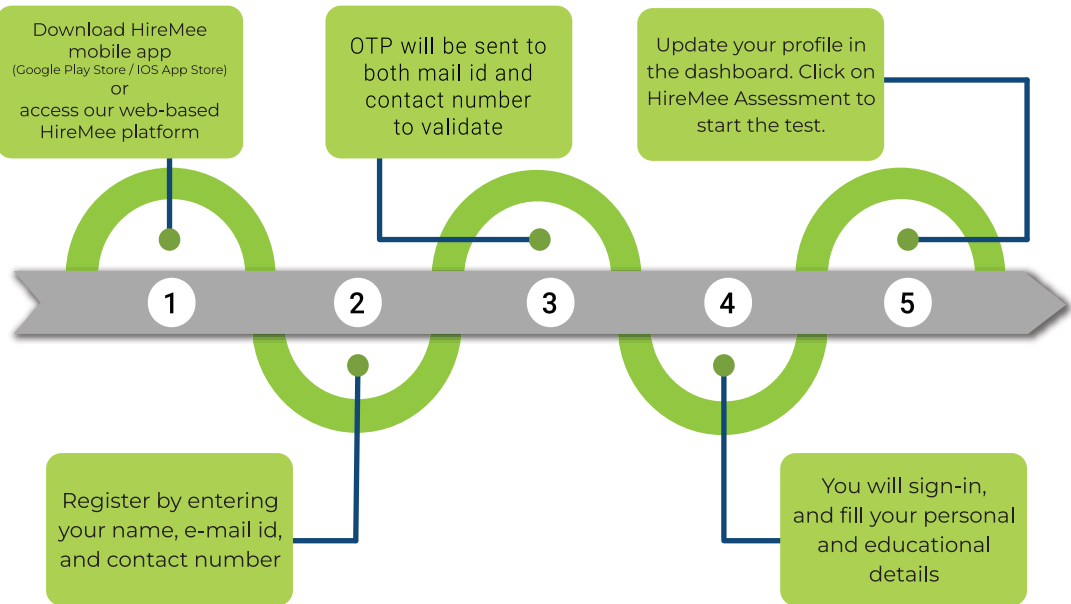

**Maximize** your chance of employability by taking HireMee Online Assessment

**Social enterprise** to make 2,000,000 recruitments possible in a year.
